

## **PERTEMUAN 11**

### **DSP309 DESAIN INDUSTRI 1**

#### ***Detail design***

*In this stage of the design process, the chosen concept design is designed in detailed with all the dimensions and specifications necessary to make the design specified on a detailed drawing of the design.*

*It may be necessary to produce prototypes to test ideas at this stage. The designer should also work closely with manufacture to ensure that the product can be made.*
