LATAR BELAKANG

GOOD GOVERNANCE

Good Governance is a good idea.....!!!

REASONS

The immediate reason why Western political scientists and management scientists came up with the concept of governance and advocated replacing government is that they saw **market failure, as well as **state failure**, in **social resource allocation**.**

(Keping, 2018)

BETTER OFF IF

We would all be better off, and citizens of many developing countries would be much better off, if public life were conducted within institutions that were:

- **Fair,**
- **Judicious,**
- **Transparent,**
- **Accountable,**
- **Participatory,**
- **Responsive,**
- **Well-managed, and**
- **Efficient.**

(Gridlee, 2010)

ASAS GPG

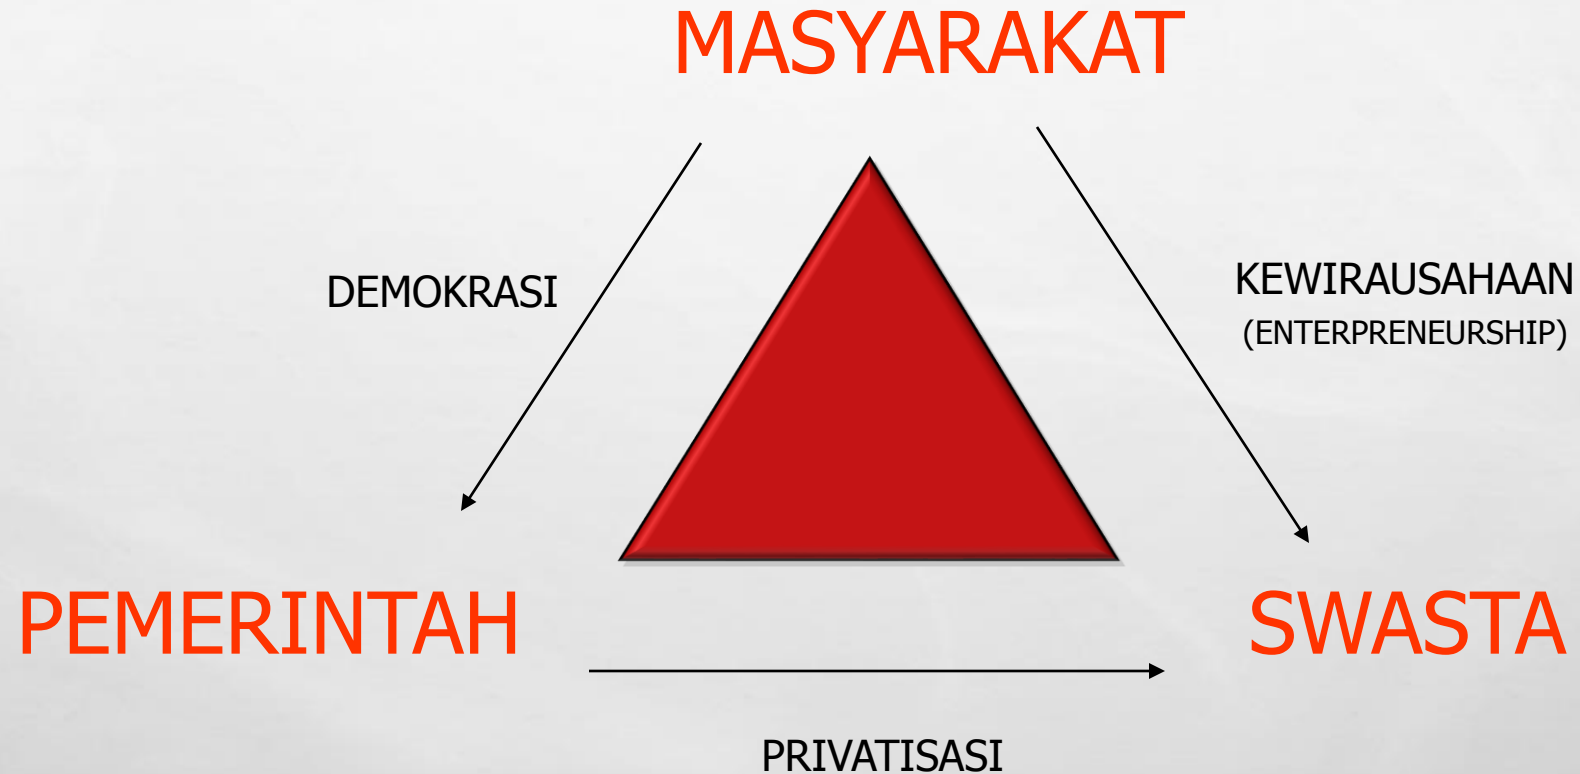

- 1. Demokrasi**
- 2. Transparansi**
- 3. Akuntabilitas**
- 4. Budaya Hukum**
- 5. Kewajaran dan Kesetaraan**

(Gridlee, 2010)

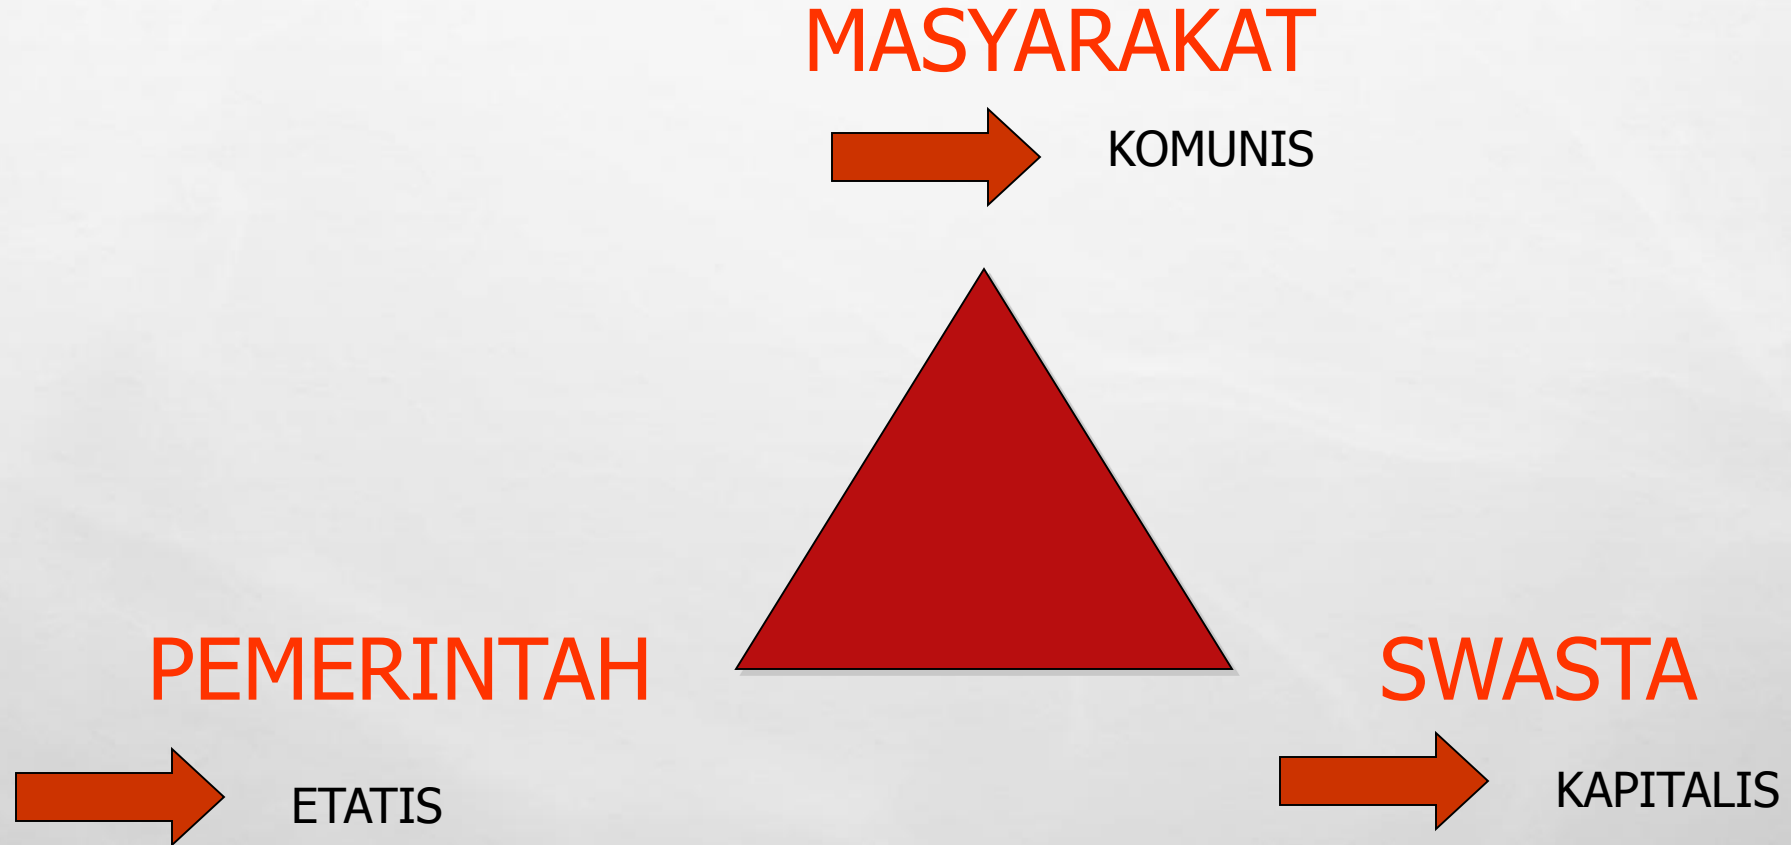

INTINYA

“Good Governance” adalah untuk memperbaiki penyelenggaraan pemerintahan
